Bishops Statement on Covid 19 Restrictions

'We strongly believe that people's freedom to worship publicly should be restored as soon as the current level 5 restrictions are eased. It is particularly painful for Christians to be deprived for the second year running of the public expression of our faith during the most sacred time of Holy Week and Easter. This is especially true given that Church buildings are the safest places for people to gather. We also re emphasise the ongoing severe restrictions on attendance at funeral Masses currently at 10, this is causing untold grief to many families. In the North of Ireland 25 are allowed to attend.

Throughout the pandemic the approach of the Church has always been grounded in the protection of health and life and in the promotion of the common good. We recognise that strong restrictions are necessary. However such restrictions on personal freedom should be proportionate and for the shortest time possible. Consideration must also be given to peoples mental health, spiritual and emotional well being. For people of faith, gathering for worship is fundamental to their identity and wellbeing.

We encourage Catholics to make their views known on these issues to their own TD's and local representatives. *Statement of the Bishop's Conference 9th March 2021*

St Patrick's Breastplate - Prayer for protection

Christ be with me, Christ within me,
Christ behind me, , Christ before me,
Christ beside me, Christ to win me,
Christ to comfort me and restore me.
Christ beneath me, Christ Above me
Christ in Quiet, Christ in danger,
Christ in hearts of all that love me,
Christ in mouth of friend and stranger.

I bind onto myself the name,
The strong name of the Trinity,
By Invocation of the same,
The Three in One and One in Three
By which all nature hath creation,
Eternal Father, Spirit, Word:
Praise to the Lord of my Salvation,
Salvation is of Christ the Lord.
