Please come early to Mass in order to be seated, sanitize at doors, take your seat, wear your face covering at all times. For Holy Communion leave your seat when the way is clear, observe the 2 metre distance and return to your seat slowly and carefully.

Numbers attending weekday Mass is increasing as well we can take up to 100 in Dunshaughlin Church and 50 in Culmullen.

Video. “The good the Church does”

The Catholic Church receives huge amounts of criticism, much of it deserved. But the good the Church does often gets overlooked. To try and redress this imbalance a little, we commissioned and launched a short, 90 second video called “The good the Church does”. It points out that worldwide the Church runs 5,000 hospitals, 16,000 health clinics and 150,000 schools helping tens of millions of people every day.

Across various social media platforms including Facebook and Youtube the video has now been viewed tens of thousands of times. A look is recommended to all.

Religious Practice during lockdown

A poll commissioned just after the first lockdown discovered that 27% of people had been tuning in to religious services and around 18% of people were praying more than usual.

They were praying chiefly for families and friends. 85% of respondents said they believe people would value family more once the pandemic was over. (Iona Institute)

Prayer for Peace

Lord make me an instrument of your peace,

where there is hatred let me sow love,

Where there is injury pardon,

where there is despair hope;

Where there is doubt, faith;

Where there is darkness, light;

And where there is sadness, *joy*.
