### **Every Day Prayer**

Every day I need you Lord, but this time especially, I need some extra strength to face whatever is to be. This day more than any day I need to feel you near, to fortify my courage to overcome my fear. By myself I cannot meet the challenge of the hour, there are times when humans help, but we need a higher 'power to assist us bear what must be borne, and so dear Lord, I pray hold onto my trembling hand and be near me today. Amen
