New Financial Year

Envelopes will soon be ready for distribution for the year 2022.

If you did not receive a box of envelopes and you would like to, please call or email Office with your name and address. Standing Order details are also available at the Parish Office.

Sincere thanks to all who have contributed over the past year and continue to do so.

We thank those who contribute to the basket collection at the end of Masses, our thanks to those who use the weekly envelopes, to those who make regular payments in cash or cheque and to all who have set up standing orders. Mile Buíochas.

We present a short, interim version of our income and costs for the year 2021.

You will see that despite restrictions we are managing to keep our heads above water. You will notice too that we have gained considerable help from Government through the Covid Wages support Scheme. We were entitled to this because parish income had fallen well below one third as required.

Looking forward, we ask parishioners to keep up contributions and those who have not been contributing might like to do so at any time.

As is the case for everyone costs are increasing as well as the usual utilities we have the maintenance of Churches, Pastoral Centre, Cemeteries and grounds. As mentioned previously The Finance Committee has been investigating the upgrading of the heating in the Parish Church. They will be making a decision soon, it is hoped that we can have a new system installed over the summer.
