Neighbourly Correction

The three readings today by chance deal with the same theme of neighbourly correction. This is a difficult art and can only be exercised through genuine love and the purest of motives. We have to learn to help and heal each other. In this we have to avoid attitudes of prying, denunciation, jealousy and informing. The spirit of the Gospel which lays down a procedure must be our guide.

Prayer for the Care of Creation

In 'Laudato Si' Pope Francis has designated this month leading to the Feast of St Francis as a time to focus on creation and the gifts of nature

Prayer of St Francis of Assisi

Praised be you, my Lord, with all your creatures, especially Sir Brother Sun, who is the day and through whom you give us light. And he is beautiful and radiant with great splendour; and bears a likeness of you, Most High. Praised be you, my Lord, through Sister Moon and the stars, in heaven you formed them clear and precious and beautiful. Praised be you, my Lord, through Brother Wind, and through the air, cloudy and serene, and every kind of weather through whom you give sustenance to your creatures. Praised be you, my Lord, through Sister Water, who is very useful and humble and precious and chaste. Praised be you, my Lord, through Brother Fire, through whom you light the night, and he is beautiful and playful and robust and strong.
