## **The Synod**

The Synod process is underpinned by the belief that our God is not remote but is involved in our lives, has hopes and dreams for us as individuals, as parishes as a Diocese. God is pursuing his plan for the universe, but He desires and need our co operation — we are his ears, hands, tongue and feet. We must therefore constantly try to detect His voice, listen and pursue His will, as the Gospel reminds us.

"The sheep that belong to me listen to My voice"

Jn 10.27

*Archbishop Dermot Farrell*
