Referendum — The Family Amendment

Upon his arrival in Ireland for the World Meeting of families, Pope Francis met at Dublin Castle with representatives of civil, Cultural and religious life, including the Taoiseach and members of the Government. Pope Francis said he was visiting Ireland to help families 'reaffirm their commitment to loving fidelity, mutual assistance and reverence for God's gift of life in all its forms, but also to testify to the unique role played by the family in the education of its members, and the development of sound and flourishing social fabric. He added " Families are the glue of society, their welfare cannot be taken for granted, but must be promoted and protected by every appropriate means"

The Bishops wish to comment on the two important Referendums on family and care which are taking place on Friday next the 8th March 2024. Copies of the Bishops Statement are available in Churches today on the Family Amendments
