Synodal Pathway

The Second part of the Synod will take place in Rome in October. The synodal process creates an atmosphere of respectful listening that can unite members of different points of view. The ultimate aim of the Synodal Pathway is not to turn the Church into a democratic institution but to enable the people of God to fulfil its responsibility to announce the Good News of God's love and mercy to all humanity and indeed all creation. It is to achieve this goal that Pope Francis wants the entire Church to become more synodal.

*'It is the path of Synodality which God expects of the Church of the third millennium'.
Pope Francis.*
