Have your say about your catholic School

For Attention of Parents of children attending Primary Schools or have yet to start: The Department of Education is currently conducting a Primary School Survey that will determine the future provision of Primary Schools and crucially could lead to lasting changes in your school. In simple, direct terms, you are being asked if you want your school to stay a Catholic school or if you want that to change. Don’t leave it to others, have your say before 16th December 2025.
